He reported that during this past year, the fire district in addition to three other CSA-17 agencies (Encinitas, Solana Beach, Del Mar) established a committee to evaluate the current EKG monitors on the market that best meets the District requirements; and to select a vendor who could meet the specifications approved by the committee. In an effort to obtain the best purchase price for the Phillips monitor, the committee was able to locate a competitive bid (by Phillips through an RFP process approved by the State of California's Department of General Services (DGS). All CSA-17 agencies, along with AMR, plan to purchase the HeartStart MRX monitors directly from the bid.

The EKG Monitor/Defibrillator Replacement qualifies as an appropriate capital expenditure to fund from the ALS/CSA-17 restricted cash account, which has a June 30, 2014 cash balance of \$146,661.57. He also requested that this equipment purchase be "expensed" in lieu of capitalizing the equipment.
