5. Old Business

- a. LAFCO Application – Update

Chief Michel reported that the District's application is scheduled for discussion and action at the LAFCO Commission March 2016. He reviewed with legal counsel the terms and conditions originally submitted with the application. He stated that since the negotiations were complete with the County, he believed it is to be in the best interest of the District to seek additional language for clarity. He has also requested that legal counsel meet with San Diego County Counsel to work on transferring the various contracts the District will assume because of the reorganization.

Chief Michel also informed the Board that the District took responsibility of RSF5, the temporary fire station serving Harmony Grove Village on December 31, 2015. The transition went smoothly between CalFire and District personnel. Staff responded to questions of the board.

6. New Business

- a. Contract: Second Amendment to the Administrative Services Agreement

Chief Michel summarized the staff report provided. He reported that North County Dispatch Joint Powers Authority (JPA) requested financial consideration in the form of a reduction from the costs paid to the District for administrative services. He stated that since July 1, 2015 the JPA has chosen to take more of the responsibilities within the administrative services agreement. Additionally, starting January 1, 2016, the JPA assumed the responsibility of preparing payroll and the associated CalPERS reporting. The intent of the JPA

is to assume all responsibilities that are currently being provided by the District by July 1, 2016. After a review of their request, staff agrees that the request warranted consideration, and recommends a twenty-five percent (25%) reduction to the remainder of FY16 quarterly installments. This monetary value of this proposed reduction is approximately \$10,464. In addition, he requested that the Board authorize the Fire Chief to execute the contract if approved by the JPA. Staff responded to questions from the board.

MOTION BY DIRECTOR HILLGREN, SECOND BY DIRECTOR MALIN, CARRIED 4 AYES; 0 NOES; 1 ABSENT, to approve the requested amendment entitled *Second Amendment to the Administrative Services Agreement* between Rancho Santa Fe Fire Protection District and North County Dispatch Joint Powers Authority, and authorize the Fire Chief to execute the amendment.

b. Budget Authorization

Chief Cox summarized the staff report provided. He reported that staff seeks the authorization to purchase one (1) set of Hurst eHydraulic rescue tools. The new battery powered extrication tools will be placed on E2615, and the older hydraulic tools on E2615 will be kept and placed on a reserve unit. The cost is approximately \$32,697. The equipment was identified in the FY16 budget as a capital purchase and the District will seek reimbursement of \$20,000 from the State Homeland Security Grant.

MOTION BY DIRECTOR HILLGREN, SECOND BY DIRECTOR MALIN, CARRIED 4 AYES; 0 NOES; 1 ABSENT, to authorize the purchase of one (1) set of Hurst eHydraulic rescue tools.

c. Mutual Aid System

Chief Cox provided to the Board a presentation that gave an overview on the different aspects of the mutual aid system, specifically the differences between mutual and automatic aid responses within the county, region and State of California.

*10-minute recess*

d. Independent Auditor's report FY 2014-2015

Director Malin reported that the finance ad hoc committee (Directors' Malin and Tanner, Chief Michel and Karlena Rannals) met with Paul Kaymark CPA to review the draft audit report for FY15.

He informed his board colleagues of the new financial statements requirements (GASB 68), which reports the full pension liability that was implemented this year. He noted that the board action earlier in the year to reduce the District's pension obligation was deferred in the financials because of the timing of the CalPERS actuarial valuations.

Director Malin informed the Board that the ad hoc committee was satisfied with the discussion in the meeting and recommended that the Board accept the report as presented. The ad hoc committee responded to questions from the Board.
