7. New Business

a. *Budget Authorization*

Chief Michel summarized the staff report. He noted that this request is a result of personnel in a temporary facility at RSF5, and that the gravel driveway, parking areas, apparatus bay and the grounds around the fire station have deteriorated due to the heavy rains. The installation of asphalt over the current gravel based will be better suited for the heavy usage and the estimated time the temporary facility will be utilized by the fire district. Staff responded to questions from the board.

MOTION BY DIRECTOR HILLGREN, SECOND BY DIRECTOR STINE, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to approve the paving project for RSF5 to Eagle Paving of Poway and authorize the expenditure of \$25,141.00.

b. *Acceptance of a Donation*

Chief Michel reported that a \$10,000 donation was received from Ms. Sharron MacDonald in recognition of the efforts of District personnel from a sprinkler activation at her home. The District policy is that the District must acknowledge and accept any donation in excess of \$500. However, the check is payable to the Firefighter's Association. He has been trying to contact the donor to inform her that the District nor the Firefighters Association is a charity and cannot issue a "charitable donation" receipt. He has not been successful to date in his efforts to reach her. The preference by the District and the Firefighter's Union is to donate to the RSF Foundation and designate the money to the restoration of the antique engine.

MOTION BY DIRECTOR TANNER, SECOND BY DIRECTOR STINE, CARRIED 5 AYES; 0 NOES; 0 ABSENT; 0 ABSTAIN to acknowledge a \$10,000 donation from Ms. Sharron MacDonald and designate the money as directed by the donor. The donation will be directed to either a 501c3 or deposit to the District's general fund and redirected to Rancho Santa Fe Professional Firefighters Association Local 4349 and designate the money to restore the antique fire engine.

a. Request for Statement of Qualifications (RFSQ)

Chief Michel reported that as a part of the reorganization with Elfin Forest/Harmony Grove, there is a need to construct a fire station to replace the temporary facility at RSF5. The District's legal counsel reviewed the RFP originally prepared by the County of San Diego. After his review, he reported that it was not satisfactory. As a result, in the change in laws, Fire Districts are now able to use the design/build process in the Public Contract Code. He summarized the process and noted that this option will afford the District not only cost savings, but also in significant amount of time. He also reported that staff retained the services of a qualified consultant to develop the document to qualify candidates to bid on the project. The document was reviewed and approved by the District's legal counsel. Staff responded to questions.

MOTION BY DIRECTOR MALIN BY DIRECTOR TANNER, and to authorize the distribution of a Request for Statement of Qualifications (RFSQ) for design/build project for construction of a fire station at Harmony Grove. The motion was approved unanimously on the following roll call vote:
