

ORDINANCE No. 2019-01

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE RANCHO SANTA FE FIRE PROTECTION DISTRICT ADOPTING FEES FOR SERVICES BY REFERENCE TO THE CALIFORNIA HEALTH AND SAFETY CODE SECTION 13916 AND SECTION 13919 AND REPEALING ORDINANCE 2016-01.

The Board of Directors of the Rancho Santa Fe Fire Protection District of the County of San Diego ordains as follows:

ARTICLE I. The Rancho Santa Fe Fire Protection District has incurred un-reimbursed discretionary development costs and is anticipating that further new discretionary development will occur within the District, which will place a greater demand on the existing staffing resources of the fire prevention bureau. Escalating demands have also been placed upon suppression personnel in conducting increasingly numerous and complex occupancy inspections.

ARTICLE II. The Rancho Santa Fe Fire Protection District is charged with the responsibility of enforcing applicable codes pertaining to fire and panic safety and other regulations of the State Fire Marshal pursuant to Section 13146 of the California Health & Safety Code.

ARTICLE III. The Rancho Santa Fe Fire Protection District incurs additional costs in lost personnel hours and expended District resources when said fire prevention services are of a recurrent nature and the result of discretionary development. The District charges fees to recover costs incurred for the provision of said services, however, said fees require periodic revision to reflect current personnel costs.

ARTICLE IV. The Fire Chief may impose a fee for recovery of expenses incurred as a result of activities undertaken pursuant to enforcing the fire prevention provisions of the fire code, pursuant Health and Safety Code Section 13916 and 13919 and Govt. Code Section 66014.

ARTICLE V. Fire District fees are based upon the actual costs incurred by the fire agency, which are based upon the total compensation of the employee(s) providing a particular service and include total personnel hours utilized for plan review, file review, database information entry, travel to and from the site, written response, site inspection, and support costs.

ARTICLE VI. The actual fee shall be paid by the applicant to the fire district at time of application or submittal to cover the actual costs in accordance with the aforementioned schedule for an *INSPECTION* or *PLAN REVIEW* or any *OTHER SERVICES* listed on the fee schedule.

ARTICLE VII. The cost for the provision of said services shall not exceed the costs reasonably borne by the District.

ARTICLE VIII. In the event that fees are not paid at the time of application or upon request for additional fees, the District shall not be obligated to process, approve, or take further action on renewable permits, installation, removal, activity or alteration permits, inspections, plan reviews, or other services necessitating a fee as delineated in the Fire District Fee Schedule.

ARTICLE IX. The Board of Directors hereby declares that should any section, paragraph, sentence or word of this ordinance or of the Fire District Fee Schedule referenced herein be declared for any reason to be invalid, it is the intent of the Board that it would have adopted all other portions of this ordinance independent of the elimination there from of any such portion as may be declared invalid.

ARTICLE X. The Board of Directors, the Fire Chief or his/her designee shall have the ability to waive any and all fees as adopted by a Resolution of the Board of Directors. When fees are waived, a report shall be provided at the next Board of Directors meeting.

ARTICLE XI. The Board of Directors of the Rancho Santa Fe Fire Protection District does hereby approve the adoption of the attached Schedule of Fire District Services and Fees (Attachment A).

ARTICLE XII. Ordinance ~~2015-01~~ is hereby repealed.

ARTICLE XIII.

The Secretary to the Board of Directors will certify to the adoption of this Ordinance and cause the same to be published in the manner required by law. This Ordinance will take effect forty-five (45) days after its final passage at a public hearing as required by law.

First Read at a regular meeting of the Board of Directors of the Rancho Santa Fe Fire Protection District of the County of San Diego, California, on the 20th day of February 2019. A second reading occurred at a special (in lieu of regular) meeting on March 13, 2019, and a public hearing and final adoption on the 10th day of April 2019 by the following roll call vote:
